This event is free. No
donations requested.

Linda Dittmar's early years were marked by the turmoil of war and nation building as Mandatory Palestine became Israel. Born in 1938, she witnessed the intertwined effects of the Holocaust and the Palestinians' Nakba.

Tracing Homelands, Dittmar's raw and courageous memoir of the 1948 war and its aftermath, uncovers the suppressed traumas, facts, and myths that undergird the Israeli-Palestinian conflict.
