Join us for a marvelous post-Thanksgiving concert with the outrageously talented Dean Stevens and three of his outrageously talented friends. With Dean on guitar, Eric Kilburn on mandolin, Rob Flax on violin, and Max Ridley on upright bass, they'll be playing a lively mix of musical genres.

Dean has played with singer-songwriter and recording studio owner Eric Kilburn for years. Rob Flax and Max Ridley

are two-thirds of the energetic group Boom Chick Trio, who dazzled the Music on Centre audience last year.

Admission is \$25, \$10 for under age 21. Cash preferred, cards okay.
